

Date	06.01	07.01	08.01	09.01	10.01
Room	A303	A303	A303	A303	A303
10:00	Gathering together.	Hanna Liisa: Forming groups and development of the initial design ideas	Daniel: Designing interaction scenarios	Daniel: Lo-Fi prototyping	Vladimir: Evaluation of Lo-Fi prototypes on the base of scenarios
11:00	Vladimir: Introduction to the course				
12:00	Tanel: Introducing Materials and available sensors				
Deliverables	One minute story about a real person with the problem	Design idea	Scenario	Lo-Fi prototype based on mannequin	Improved prototype
13.00	LUNCH				
Room	A303	A303	A303	A303	A303
14.00	Self-driven work if necessary				Presentation of Lo-Fi prototypes Tanel is providing feedback

Date	13.01	14.01	15.01	16.01	17.01
Room	A440	A440	A440	A440	A440
10:00	Tanel: Hi-Fi	Tanel: Hi-Fi	Tanel: Hi-Fi	Tanel: Hi-Fi	Tanel: Hi-Fi

11.30	prototyping workshop	prototyping workshop	prototyping workshop	prototyping workshop. Starting data collection	prototyping workshop. Preparation to presentation
12:00					
13.00	LUNCH				The final presentation
Room	A440	A440	A440	A440	
14.00	Self-driven workshop if necessary				
15.00
